VERSE 2

Mercy
What I need is mercy
But what I want is mostly, mercy for me
Justice, yeah, we all we want justice
But is it really justice if it doesn't cost us
Do I love mercy enough to bleed?
Will I do justly when it ain't free?
I could walk humbly, weak on my feet
With Christ as my king, his mercy through
me

BRIDGE

C G/B Am
Mercy, mercy mercy
G D/F# G
for the sinner in me
C G/B Am
Mercy, mercy mercy
G D/F# G
for my friends and enemies
C G/B Am
Mercy, mercy mercy
G D/F# G
through my hands and through my feet
C G/B Am
Singin' Lord have mercy
G D/F# G
'Cause its mercy we need
