VERSE 1

B/D# E A Amaj7
Lord, I've got the world upon my shoulders
B/D# E A Amaj7
But you've been saying "Child, put it down"
B/D# E A Amaj7
I prayed and prayed that you would take my burden
B/D# E A Amaj7
But you keep saying "Child, put it down"
A E B
Maybe I'm addicted to the worry
A C#m
Maybe I'm a slave to holding on
A
Help me put it down
B
Help me put it down

CHORUS

E A C#m
I've heard it said: the Gospel is rest
A B
Oh, how I need it
E A C#m
Say it again 'til I believe it
A
Oh, how I need it
B
Oh, how I need it

TURNAROUND

B/D# E A Amaj7

VERSE 2

Lord you took the world upon your shoulders
Now all I have to do is put it down
I'm living like some weary beast of burden
And you keep saying, "Child, put it down"
Well, maybe I've been trying to be the hero
Fighting wars that you've already won
Help me put it down
Help me put it down

BRIDGE

E A C#m
That peace that passes understanding
A B
How I need it, oh, how I need it
E A C#m
That peace that passes understanding
A B
How I need it, oh, how I need it
